PIZZA WORKSHOP

Learn how to make the real Italian Pizza!

Always wanted to learn how to make the real Italian pizza? This can be done together with [Le Marche Explorer](#) in a real wood-fired oven at Casa di Martina in San Ginesio.

Together with Martina and Cristina, two lovely Italian women, you will learn the secrets of making a real Italian pizza.

PIZZA WORKSHOP

Martina and Cristiana will tell you which ingredients are used, how the dough is made, and teach you how to make it. Afterwards you will get to enjoy the pizza that you just made yourself!

Want to be sure of a place? Then book the pizza workshop well before arrival, because especially in the high season there is a high demand and you might just miss out!
